

Freedom of Information Request - FOI2024/035

15 April 2024

Thank you for your Freedom of Information request.

I am trying to understand the level of clinical trials activity that is taking place in the UK. Specifically, can you tell me how many commercial clinical trials have been taking place in this health board during the calendar year of 2023?

This could be completed trials, or trials that are ongoing. When I say “commercial trials” I mean trials that are funded or sponsored by a commercial company such as a pharmaceutical company.

I have considered your request and have set out the Trust’s response below:

We only have one commercial trial open here at WWT during 2023. The study is still currently open.

Yours sincerely,
Freedom of Information Officer
