

Freedom of Information Request - FOI2024/009

17 April 2024

Thank you for your Freedom of Information request.

- Please provide the total number of patients treated with a non-British national code (i.e not White British, Asian British or Black British etc.) for the last three financial years, or the last years for which you have statistics. Please also provide the total number of patients treated.
- What is the total amount in charges you have issued for treatment given to non-UK nationals for the last three financial years, or the last three years for which you have statistics. What is the amount that you have successfully recovered over the same time period?
- For both questions I would like the figures for each year, not one figure covering all three years.

I have considered your request and have set out the Trust's response below:

FY Year	Total Activity	Non-British
2021/22	57,913	14,286
2022/23	60,228	16,873
2023/24	67,218	20,050

FY Year	Invoiced	Recovered
2021/22	£7,984.00	£7,437.00
2022/23	£1,572.65	£1,381.00
2023/24	£27,712.57	£13,720.99

Yours sincerely,
Freedom of Information Officer
