FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST FOI2019/0230

Thank you for your request for information.

Wye Valley NHS Trust responds:

The Trust employs an in-house Medical Engineering Department. This department performs the majority of the maintenance required, including repairs and servicing of medical devices, or necessary service is arranged through equipment manufacturers as required.

Trust X ray and imaging equipment is done through an Managed Equipment Service with Philips.

Endoscopy and Haematology directly arrange contracts for items specific to them.

Some Trust equipment such as hospital beds, wheel chairs etc. are maintained by Sodexo on behalf of the Trust under a Private Finance Initiative contract.

If you have queries or any concerns contact details are given at the top of the letter. Please remember to quote the reference number above in any future communications.
