**FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST FOI2019/0330**

Thank you for your request for information.

Wye Valley NHS Trust responds:

**////////////////////REQUEST**

Unfortunately the clinical diagnosis information that would be required to answer this question is not recorded in one location and so it is not possible for the Trust to provide a response. The time necessary to compile information from around medicine services to try to answer this query would exceed that guided by the Information Commissioner's Office (ICO) so under section 12 of the Freedom of Information Act 2000 it is not possible to assist further.

For information there is no record on the Trust's systems of a medicine called 'Berint'.

In the last 6 months, how many patients with Hereditary angioedema (HAE) have been treated with,  
Berint  
Cinryze  
Firazyr  
Ruconest  
Takhzyro  
Tranexamic acid  
Other
