FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST FOI2019/0336

Thank you for your request for information.

Wye Valley NHS Trust responds:

////////////////////REQUEST

Please can you tell me over the last five financial years how many people with a dementia diagnosis have been detained under the Mental Health Act 1983 under section 2 or section 3 of the act. Please specify whether section 2 or section 3 was used.

Please specify where each person was detained e.g. hospital name.

Please can you also tell me how many people with a dementia diagnosis who were detained under the Mental Health Act have subsequently been turned down for after-care by a care home and if more than one care home has turned down after-care please can you state how many homes have done so.

The Trust can and possibly do detain people under the Mental Health Act, but it is not recorded in the electronic system. It would be the responsible clinician who would carry out the assessment and so could be any one of them in the Trust. To further answer this request it would be necessary to consult each individual patient's notes. Under section 12 of the Freedom of Information Act 2000 it is not possible to provide a comprehensive answer as due to the physical recording of patient notes. It would exceed the amount of time guided by the Information Commissioner's Office (ICO) for answering this request.

If you have queries or any concerns contact details are given at the top of the letter. Please remember to quote the reference number above in any future communications.
