**This request is not specific enough. Also, it is not possible to provide information that requires a trawl of physical files, as due to the way records are physically kept, the time required to access this information would exceed that guided by the Information Commissioner's Office (the ICO) for responding to requests.**

**Under Section 12 of the Freedom of Information Act 2000 this information cannot be provided. It is not possible to advise on how this request can be refined in order to be able to provide information, again due to the time required to access any of the physical files.**
