**FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST FOI2020/0175**

Thank you for your request for information.

Wye Valley NHS Trust responds:

**////////////////////REQUEST**

**1. Hereford County Hospital, Stonebow Road, Hereford, HRI 2ER**

- The most recent asbestos register. **Attached**
- The most recent asbestos survey. **Survey Summary forms part of attached asbestos register**
- Documentation on the demolition of the hutted wards in 2018. **Attached**

**Please note that personal data has been removed from the documentation on demolition of hutted wards. Under section 40ii of the Freedom of Information Act 2000 this information cannot be provided.**

**2. Hereford General Hospital, Nelson Street, Hereford**

- The last asbestos register prior to closure.  
**The Trust would have transferred all records to the new owners on sale. Due to the way that this information is stored it will require longer than the time guided by the Information Commissioner's Office (ICO) to process an individual FOI request. Under section 12 this information cannot be provided. It is not possible to advise how to refine the request as due to the way that information is stored the amount of time required would be prohibitive even if only partially trawled.**
- The last asbestos survey prior to closure. **As above.**
- Documentation on the demolition of hospital buildings in 2002  
**The site was sold to Laing Homes, Laing Homes did the refurbishment and demolition works, they would therefore have instructed an appropriate asbestos survey prior to the works commencing. The land agents were Trinity Estates.**
